# **ACCESSING FACULTY LEARNING COMMUNITIES (FLC) FUNDS**

Funding Requests must be completed 2 weeks prior to using any funds. Include the name of the FLC on all requisit on forms, expense reports, and catering requests.

### **PURCHASE TYPE**

## 1. Purchasing supplies and materials

Workday's procurement system allows users with the Requester role to purchase supplies and materials in a variety of ways including via Amazon Business, RGH/Staples and other suppliers. This avoids out-of-pocket expenses. To complete a Requisit on for a good (tangible, receivable item) or service (such as a subscript on):

- "Create Requisit on" once logged into Workday
- Choose Requisit on type
- Enter the USource provided af er the Funding Request approval was received
- · Connect to supplier and complete purchase

#### 2. Reimbursement for supplies and materials

- a. Create an "Expense Report" through Workday, including all relevant receipts and documents entering the business purpose and adding notes to memo
- b. Adhere to the same purchasing guidelines as with all State Expense Reports
- c. Use the Usource provided af er the Funding Reguest approval was received

#### 3. Food and beverages from University Catering for an FLC event

- a. Place your room reservat on and catering order with the USource provided, using Facilities Reservations Online Request Center
- b. Note: As long as you are planning more than **12 business days in advance**, you can use the Online Request Center If you have less t me, you must email the Facilit es Reservat ons & University Catering teams directly

C. \_\_\_\_\_

State regulat ons do not permit reimbursement of food/beverage expenses on a normal workday at any t me (even af er normal business hours). Meals for meet ngs can be covered with the use of special SU Foundat on funds but cannot exceed per diem rates. However, if FLC part cipants meet on a Saturday or Sunday, meal expenses will be reimbursed. State meal allowances can be found here.

e.g.: FLC wants to have a meet ng and then eat in the Commons dining hall (lunch through the line), this can be billed per person who at ended to the SU Foundat on account as long as there is an agenda that explains the who, what, when (date and t me), where, and why. An example of such agenda is to the right:

## OTHER HELPFUL TIPS

- You can book the Faculty Senate Room (Guerrieri Academic Commons 220D) for meet ngs through Facilit es Reservat ons Online Request Center.
- You can email a request for Pet y Cash to Accounts Payable should you find a need to reimburse persons for purchases (e.g., students who are making food for an event that you don't want to have to reimburse). The FLC Facilitator would be responsible to handling the money, submit ingiall receipts, and returning any unused monies to A/P.
- When traveling, you **must** have an approved Spend Authorizat on in Workday and **prior** to get ng reimbursed.
- Create a "Supplier Invoice" in Workday if you wish to pay with an honoraria. If looking to reimburse a supplier (a non-SU employee) for expenses, Create a Supplier Invoice Request.
- In early June, expect to close out the f scal year. Plan to have all monies spent by that t me to allow proper processing before the new f scal year begins.
- Refer to the FLC website for Workday trainings aids and access to forms and policies!
