

MARYLAND EARNED SICK AND SAFE LEAVE EMPLOYEE NOTICE

The Maryland Healthy Working Families Act requires employers with 15 or more employees to provide paid sick and safe leave for certain employees. It also requires that employers who employ 14 or fewer employees provide unpaid sick and safe leave for certain employees.

Accrual

Earned sick and safe leave begins to accrue on February 11, 2018, or the date on which an employee begins employment with the employer, whichever is later. An employee accrues earned sick and safe leave at a rate of at least one hour for every 30 hours the employee works; however, an employee is not entitled to earn more than 40 hours of earned sick and safe leave in a year or accrue more than 64 hours of earned sick and safe leave at any time.

Leave Usage

An employee is allowed to use earned sick and safe leave under the following conditions:

- To care for or treat the employee's mental or physical illness, injury, or condition;
- To obtain preventative medical care for the employee or the employee's family member;
- To care for a family member with a mental or physical illness, injury, or condition;
- For maternity or paternity leave; or
- The absence from work is necessary due to domestic violence, sexual assault, or stalking committed against the employee or the employee's family member.
